EU, UN and Major Donor Rules Compliance Training Course

Introduction

Institutional donors such as the European Union, United Nations agencies and major foundations have detailed rules on eligibility, procurement, reporting, visibility and audits. Breaking these rules can lead to cost recovery and damage future funding.

This course explains the main requirements of institutional donors and how to manage grants compliantly from proposal through implementation to closure.

Learning Objectives

By the end of this course, participants will be able to:

- Understand the funding frameworks of major institutional donors
- Interpret grant agreements and conditions
- Apply eligibility of costs and procurement rules
- Meet reporting, visibility and audit requirements
- Manage partners and sub-grantees compliantly
- Close grants and handle audits

Training Methodology

This course combines short expert presentations with practical exercises, case studies from the Gulf and international organisations, group discussions and work with real templates and tools. Participants are encouraged to bring examples from their own work so that the learning can be applied immediately.

Participants review real grant conditions and solve compliance cases.

Benefits for Your Organisation
