Strategic Human Resource Management Training Course

Introduction

Introduction

Strategic Human Resource Management is an approach to managing human resources that supports long-term organizational goals and objectives with a strategic outlook. It can be also defined as the intertwining of the strategic objectives of an organization along with its Human Resources for the furtherance of business performance and efficiency.

Strategic HRM covers the entire gamut of HR activities which will help the organization achieve its goals and objectives. The approach focuses on the alignment of HR policies, processes & systems with longer-term organizational goals and outcomes. In Strategic HRM, HR's role is transformational, change leader & initiator. HR's initiatives are fast, proactive and integrated.

This Strategic Human Resource Management course by Xcelerate Training Institute will provide you with deep knowledge about various key aspects of Strategic HR Management so that you can design, develop & execute well-defined HR strategies which are in alignment with larger organizational strategies to give a competitive advantage to the HR and the organization.
