Administration and Office Management Training Course

Introduction

This course by Xcelerate Training Institutes provides essential knowledge that will help you excel as an effective office manager. You'll develop skills in coordination, communication, and multi-tasking, ensuring you can deliver high-quality service experiences that positively impact business profitability. The program emphasizes time management to boost productivity and reduce work-related stress, making it interactive and dynamic for those seeking dual certification.

Learning Objectives

By the end of the Administration and Office Management Program, participants will be able to:

- Understand core responsibilities of office management and administration.
- Build relationships and network effectively.
- Employ impactful administrative and technical management skills.
- Utilize problem-solving techniques for efficient office management.
- Handle office issues and disagreements.
- Think creatively, analyze problems, and make quick decisions.
- Develop effective office regulations, policies, and procedures.
- Continuously improve productivity.
- Streamline office workflows.
- Manage thoughts and emotions for improved performance.
- Assert themselves authoritatively in the workplace.
- Enhance business communication and interpersonal skills.
- Build personal resilience and stress management capabilities.
- Multi-task across different departments and executives.
- Manage records and documentation.
- Coordinate and execute meetings and events effectively.
- Think and act like a manager for key tasks.

Training Methodology

The training program, designed by Xcelerate Training Institutes, qualifies individuals in administration and multi-level managerial skills. It is highly interactive, intensive, and based on global best practices. Participants from diverse cultural backgrounds share their office management experiences and challenges. The program includes assessments, presentations, case scenarios, and role-plays, utilizing the Do–Review–Learn–Apply Model, with pre-course and post-course assessments to ensure learning objectives are met.

Benefits for Your Organisation

Organizations will benefit as employees become:

- More proactive and responsible.
