The Certified Strategist From Planning to Execution Training Course

Introduction

Introduction

Do you think you need strategist partners to ensure the continued growth of your organization? Do you think these strategist partners will help you avoid the common pitfalls for growth?

A well-formed strategy paves the way for the holistic growth of an organization. The current business scenario is laden with changes at a fast pace – be it regarding technology, people management, policies, and procedures, business environment, etc. This makes it necessary for us to have a certain set of people in our team who keep an eye on the environment to guide the businesses towards maintaining their competitive edge.

This course on Certified Strategist by Xcelerate Training Institute Solutions will empower you to develop a strategic mindset, conduct an analysis of the competitive environment and advocate the firm's positioning and value creation.

Learning Objectives

- Build up a strategic mind-set
