Advanced Business Writing Skills

Introduction

Presentation matters a great deal in today's business world. There was a time when the actual business was the crux of a customer's interest. However, in the age of competitive executive presence and virtual realities, every brand needs to showcase phenomenal talent in the area of its presentation.

Be it a government, private or public enterprise, written communication has gained precedence like never before. At 'Xcelerate', we take a keen interest in developing the innate writing skills of our participants by providing close guidance and showing them how they can apply master techniques to build expertise in Business Writing.

The Advanced class on this subject will take our delegates a step ahead on their ability to communicate on behalf of their organization in a distinguished manner. Our research and work over the years have helped us create a database of the most appreciated norms in business writing, which will enable our participants to keep up to the high standards of succinct.

It has been globally observed that candidates who can express fluency in writing through a wide vocabulary stand a higher chance of a promotion, winning a new project and taking a business to greater heights.

Through the course on Business writing, we not only endeavour to help you achieve a distinction in this skill, but also seek to nurture discipline in your life – one that lets you alter your behaviour to practice the right habits. This way, participants acquire real growth in their skills at a deeper level and not just theoretical knowledge.

This Xcelerate training course will empower you to become an expert in business writing. Through this course, you will be able to apply the skill of presenting your message in a well-structured format through your writing in any business communication.

By ensuring the application of all the elements in professional business writing, your message will be received exactly as intended. The information and practice gained through this course will also bridge the gap in your writing skills. You will resultantly be better positioned to contribute to your organisation in your communication with your stakeholders and your customer.

Learning Objectives

The main objective of this Advanced Business Writing Skills Training Course from Xcelerate Training Institute is to empower professionals with—

- the ability to write emails, memos, white paper, press-releases and digital content for their business in a structured manner, in keeping with their organisational brand values
- real-time feedback on their written communication
- the ability to recognise language and formatting errors in their own writing
- capability to correct their own errors in writing and errors in any other potential publication material

before publishing
- understanding of the requisites of a good business document
- express ideas fluently through any written medium
- edit and perfect a draft before sending it out
- understand the potential of well-written content in the business world

Training Methodology

Xcelerate Training Institute designs training courses to cater to our training audience and their distinctive professional background and experience. Classroom sessions with presentations by a highly experienced facilitator form a major part of our training programmes. We encourage trainee participation through group discussions, role-plays, group activities, assessments and more.

Trainees are also requested to share their experiences, issues, concerns and best practices from their respective organisations, which are facilitated by the trainer to optimise learning for the entire participant group.

In alignment with the Xcelerate Training Institute' unique training methodology, this course follows the Do–Review–Learn–Apply Model.
