UAE Corporate Tax and Pillar Two Training Course

Introduction

The UAE introduced federal Corporate Tax for financial years starting from June 2023, and from 2025 a Domestic Minimum Top-up Tax applies to large multinational groups under the OECD Pillar Two rules. Businesses must now manage registration, taxable income calculations, free zone status, transfer pricing and new top-up tax obligations.

This course gives finance and tax professionals a practical understanding of UAE Corporate Tax and Pillar Two, with worked examples on taxable income, exemptions, reliefs, groups, free zones and compliance.

Learning Objectives

By the end of this course, participants will be able to:

- Explain the scope and main rules of UAE Corporate Tax
- Calculate taxable income and apply adjustments, exemptions and reliefs
- Apply the Qualifying Free Zone Person rules
- Understand tax groups, losses and transfer pricing requirements
- Explain the UAE Domestic Minimum Top-up Tax and Pillar Two basics
- Manage registration, returns, records and audits

Training Methodology

This course combines short expert presentations with practical exercises, case studies from the Gulf and international organisations, group discussions and work with real templates and tools. Participants are encouraged to bring examples from their own work so that the learning can be applied immediately.

Participants complete worked calculations and review practical case studies.
