Writing for PR: Press Releases, Speeches and Content Training Course

Introduction

Communication professionals write constantly: press releases, statements, speeches, articles, social posts and internal messages. Clear, engaging writing gets coverage, supports leaders and builds reputation.

This practical course develops writing skills for public relations, with exercises in news writing, speeches, op-eds and digital content, and guidance on using AI tools responsibly.

Learning Objectives

By the end of this course, participants will be able to:

- Write newsworthy press releases and statements
- Draft speeches and talking points for leaders
- Write opinion articles and feature stories
- Adapt content for digital and social channels
- Edit for clarity, tone and accuracy
- Use AI writing tools responsibly

Training Methodology

This course combines short expert presentations with practical exercises, case studies from the Gulf and international organisations, group discussions and work with real templates and tools. Participants are encouraged to bring examples from their own work so that the learning can be applied immediately.

Participants write and edit real PR pieces with individual feedback.
