Brand Management Training Course

Introduction

Strong brands command loyalty, higher prices and resilience against competition. Building a brand requires a clear identity, consistent experience and careful management across every touchpoint.

This course covers brand strategy, identity, positioning, architecture, brand experience, digital branding, brand health measurement and brand extension.

Learning Objectives

By the end of this course, participants will be able to:

- Understand brand equity and how it is built
- Define brand purpose, values and positioning
- Develop brand identity and guidelines
- Manage brand architecture and portfolios
- Deliver consistent brand experiences
- Measure brand health and grow brands

Training Methodology

This course combines short expert presentations with practical exercises, case studies from the Gulf and international organisations, group discussions and work with real templates and tools. Participants are encouraged to bring examples from their own work so that the learning can be applied immediately.

Participants analyse brand cases and develop a brand strategy for a sample brand.
