# Leadership Excellence for Senior Leaders Training Course

## Introduction

Senior leaders shape the direction, culture and performance of their organisations. They must think strategically, lead change, make difficult decisions and inspire people through uncertainty.

This programme helps senior leaders strengthen strategic thinking, organisational leadership, change and transformation, decision making, stakeholder management and personal leadership impact.

## Learning Objectives

By the end of this course, participants will be able to:

- Strengthen strategic thinking and vision
- Lead organisational change and transformation
- Make sound decisions in complex situations
- Build a high-performance culture
- Manage senior stakeholders and boards
- Increase personal leadership impact

## Training Methodology

This course combines short expert presentations with practical exercises, case studies from the Gulf and international organisations, group discussions and work with real templates and tools. Participants are encouraged to bring examples from their own work so that the learning can be applied immediately.

The programme combines executive case studies, leadership assessments, peer discussions and personal action planning.
